

Pelican Music Application - Recorded Lesson

To complete an application to become a teacher with Pelican Music, we will need to observe you teaching. We are requiring candidates to record a lesson of a student they currently teach.

If you do not have any students available to teach, please contact us directly and we will consider your application, however we cannot guarantee we will be able to organise an observed lesson.

Recorded Lesson:

Ideally students should be below a Grade 4 standard. We are focused on teachers who are able to teach students from the very start all the way through.

It is not important for us to see the student during the lesson, so if a parent is uncomfortable with their child on camera please focus the camera on yourself.

Lessons do not need to be longer than 20 minutes, but we are happy to accept lessons of the duration you normally teach.

This lesson is only viewed by our Director and Administrative team and will be deleted once the application process is completed.

Recordings should be sent to admin@pelican-music.co.uk via WeTransfer. Files should be named as followed:

<teacher name>-<instrument>-<standard>-<time learning with you>

For example: JohnDoe-Violin-Beginner-6months

Please see below a letter to be provided to the parents of the student you choose.

If you have any questions please feel free to contact us: 020 8050 3091 or admin@pelican-music.co.uk

Parent Letter

Dear <parent name>

I am applying for a teaching position with Pelican Music, and part of the application process is to submit a teaching video.

I would like to record my lesson with <student name> as my application. I would be incredibly grateful if you would allow me to video our next lesson to submit. The lesson will be the same as any lesson, as they just want to understand how I normally teach. If you are not comfortable with <student name> appearing on the video, the video can be focused just on myself.

No personal details for you or <student name> are given to the company and the company deletes all videos once the application is complete.

Please let me know if you are happy for me to go ahead.

Best wishes

<Teacher name>
